

December 2017 Summer Winter Garden Meeting Minutes

Meeting Held December 5th, 2017

In attendance: Andy Denison, Amanda Casper, Joe Revlock, Phil Berryman, Andrew Nardone.

Membership and vacant plots- still at 5 vacant plots. We are communicating with members to notify if not returning.

Membership organization- Andrew N. Will be in charge of membership. We thank him for his service.

New gardener and delinquent gardener security-Should a security deposit be required (to be returned at end of growing season) for new gardeners and those who do not fulfill work obligation in previous year. Item to be considered at next meeting in light of higher number of abandoned plots and gardeners not fulfilling work obligation

Keystone Garden Grant- \$4000 for patio and \$2000 for tree pruning. Cost of patio in West Garden will exceed \$4000. Money for tree pruning will be used to complete project. The Board expressed gratitude to PHS for funds to complete project.

Four gate roofs will be restored using garden funds and current "storage" area at the garden will be cleared of all materials (some used to repair gate roofs) by March 2018. This will be paid for with garden funds to complement the new patio area. Area cleared of stored materials will be maintained as a garden, not storage, location.

East Gate and Northeast Gate repairs- to make it accessible for trucks and fix gate locking device. Repair to be considered

Dead Cherry Tree- Removal approved to proceed with this. Replacement tree to be determined.

Items to be considered at next meeting- Review Executive Committee roles

and responsibilities.
