

Summer Winter June 2020 Meeting

Agenda

New members-

check on plots that are not being maintained and notify gardeners

Wait list-

The demand for plots is high with a large and growing wait list. Those inquiring have been notified that they are on the wait list for 2021.

Treasurers Report-

No major new expenses.

Public Space

Compliance is good with performing required maintenance of assigned public spaces, Amanda will keep up with maintaining areas via gardeners

Ongoing communication to Gardeners is needed.

Spotted Lanternfly is a problem. We are addressing in some ways. Members will be asked to kill them

Social Gathering

There are concerns about gathering. Our policy remains, no public/social gathering of any kind. No visitors to garden by non-members.

Tree work

Amanda is leading this

Needed tree work will be postponed till fall. Tree contractors will give estimates at that time on what to do

Several fruit trees need tending.

Lock Change

Amanda will take over from Joe. Lock combinations will be changed and gardeners will be notified

Toilet

Deposit outside the fence where there are no edibles

Communication to gardeners

Soil is available
