

Summer Winter Community Garden July 2020 Meeting

Agenda

Treasurers Report

We have \$4500 in the bank

Bird nets were purchased to protect fruit in orchard by Amanda. She will be reimbursed for cost approx \$30.

Orchard étiquette

Send reminder email about what to take from the garden in orchard. Amanda to compose note for email to be sent after meeting.

Problem Plots

Phath Ith has unfortunately contracted Covid, he will be unable to garden this year. His plot will be mothballed.

Need to weed paths- special attention to Rudy's plot

Mandatory Work Assignments

People seem to be doing the common areas. Reminder will be sent in email

Honey Locust Trees- Should we consider taking them out with Drexel support?

Tabled for further discussion.

Add Plum Tree as needing attention with other trees on the list.
